FACTS AND FIGURES

- All of the rescuers, trustees and administrators of Patterdale Mountain Rescue Team are volunteers.
- It takes over a year to train a new member of the Team and equipment for a recruit costs in excess of £1,000.
- Members of the Team train regularly to maintain and develop their mountain rescue and medical skills. Several members are also qualified emergency off-road drivers, swift water rescuers and powerboat drivers.
- Patterdale Mountain Rescue Team is called out to about 70 incidents each year.
- The Team's area covers about 140 square km of the highest land in England, including Helvellyn, High Street, Fairfield, St Sunday Crag and the wild beauty of Dovedale and Deepdale as well as the quieter valleys and tops of Martindale and Riggindale to the east of Ullswater.
- Coast Guard and Air Ambulance helicopters frequently work with the Team on high level incidents or to ensure that casualties reach hospital as quickly as possible.
- Patterdale MRT's boat, 'Pete Hamilton', was purchased from funds raised by members of the Supporters' Club and others. The boat is used in flood situations and to get Team members to the far side of Ullswater (and back) as this popular area is not served by a road.
- Patterdale Mountain Rescue Team is one of 11 teams based in Cumbria and one of over 50 across England and Wales. All these teams are staffed by volunteers and funded by donations.

Please join our Supporters' Club and be part the team that supports the Team.

PMRA Limited is a registered charity (No 1063329) and is the administrative organisation of the Mountain Rescue Team.

Become part of our extended team

Patterdale Mountain Rescue Team is reliant on the many supporters who give their valuable time and money to keep the Team equipped, trained and ready to save lives in and around Patterdale.

You and your family could play a part in our future by becoming a part of our extended team.

Contributing to costs

We keep our running costs as low as we can and all our Team members and officers are volunteers, but our costs still come to about £130,000 per annum. We receive no government funding and we are totally reliant on donations and fundraising.

To give you an indication of how our costs mount up:

- Land Rover tyre £195
- GPS radio and charger £450
- Specialist rescue stretcher £6,000

By joining the Supporters' Club you become part of the extended team - making a donation of £24 or more per year will help us plan ahead. The Team certainly appreciates the backing of every supporter – we couldn't do what we do without you.

"It is very difficult for me to put into words just how grateful my family are to all who were involved on that day. Suffice to say that we are all extremely thankful to all at Patterdale MRT for the work they do every day on the fells."

Gavin Gray

Keeping in touch

Members of our Supporters' Club receive a copy of our Annual Report each Spring plus our supporters' newsletter, Patrick Relay, twice a year.

Supporters are also encouraged to visit the base in Patterdale and to take part in fundraising social events.

Please tick the boxes on the joining form to confirm how you would like us to contact you and that you are happy for us to retain your contact details.

If you wish to cancel your consent or change your preferences at any time you can do so by writing to: The Hon. Treasurer, Patterdale Mountain Rescue Association Ltd., Ogilvie House, Patterdale, Penrith, CA11 0PJ or email treasurer@patterdalemrt.org.uk

"I wish to express my sincere and heartfelt appreciation for rescuing me. Words cannot begin to explain the absolute gratitude I have for you all – I am certain that, if it wasn't for your actions, I wouldn't be alive today."
